WORK EXPERIENCE

From: 2011-02-01

**Editor, typesetter, proofreader, curator**

La scuola di Pitagora editrice, via Monte di Dio 54 (before spring 2013: piazza Santa Maria degli angeli 1), Naples (Italy)

- As an editor, I had to help authors to improve the quality of their work and to ensure that their work matches the style and grammatical requirements.
- As a typesetter, I had to make typesetting of text in a page, using programs such as Quark Xpress 8.12 and Adobe InDesign.
- As a proofreader, I had to check mistakes after typesetting.
- As a curator, I had to verify that all the work, in all its steps, was ok.

Publications I have had a role in:
